

## **The Company Health and Safety Policy**

### **1.1 The Company Policy Statement of Intent**

Roadform Civil Engineering Co. Ltd, recognises its duty to comply with the Health and Safety at Work etc. Act 1974 and all associated acts and legislation relevant to our business. The Company Health and Safety Policy , Risk Assessments and COSHH assessments will also form part of the plan and all construction work will be carried out accordingly.

Roadform Civil Engineering Co. Ltd will, so far as is reasonably practicable:

1. To avoid or control all foreseeable risks to the health, safety and welfare of those involved in the construction work, third parties who may be affected by our works, and those who use or carry out maintenance work to the completed structures.
2. Provide adequate resources to maintain health and safety.
3. Provide and maintain systems of work, which are safe and without risk to health.
4. Establish arrangements for the use, handling, storage and transport of articles and substances provided for use at work, which are safe and without risk to health.
5. Provide employees with such information, instruction, training and supervision as is necessary to secure their safety and health at work and that of others who may be affected by their actions.
6. Carry out health surveillance, where required.
7. Ensure that all machinery, plant and equipment is maintained in a safe condition.
8. Make adequate provision and arrangements for welfare facilities at work.
9. Keep the workplace safe and ensure that access and egress are safe and without risk.
10. Monitor safety performance to maintain agreed standards.

The duties of the employees are to:

1. Take reasonable care of their own health and safety, and that of others who may be affected by their acts or omissions at work.
2. Co-operate with others in the company to fulfil our statutory duties.
3. Not interfere with, misuse or wilfully damage anything provided in the interest of health and safety.

To ensure that this policy is effective, we will:

1. Review it annually, or on significant changes in our business.
2. Make any such changes known to employees.
3. Maintain procedures for communication and consultation between all levels of staff on matters of health, safety and welfare.
