Dear Sirs,

Further to your recent payment please find enclosed certificate for CQMS' Safety-Scheme based upon your existing accreditation by a SSIP forum member.

Furthermore if you would like to re-certificate with CQMS' Safety-Scheme rather than your current SSIP Scheme please contact us 4 weeks prior to your certificate expiry to discuss application.

Benefits of full CQMS' Safety-Scheme certification:

- (1) CQMS offer competitive pricing compared to other SSIP member schemes.
- (2) Quick application process turnaround; typically <1 week for initial evaluation.
- (3) Avoid the need to complete full H&S assessment for other SSIP forum schemes, saving you time and money.
- (4) It allows you to demonstrate your Health & Safety competence to suppliers - increasing your chances of getting onto their preferred supplier lists for tenders.
- (5) It allows you to proudly display the CQMS Safety-Scheme logo on your letterheads, publicity materials and vehicles - showing your clients that you are serious about safety.
- (6) Inclusion on the SSIP database, the CQMS Safety-Scheme database and the Linden Homes database for all regions - increasing your visibility to potential Clients.

Yours sincerely,
